Subject: FW: REMINDER: Thoughts/Comments on Improving/Focusing the RAF - please send your input by Friday May 15
Attachments: NCEA RAF thoughts.docx

I meant to forward these yesterday. I got busy doing things around my house on Friday and forgot about this until I was on my way back Sunday night. Deliberative Process / Ex. 5
Deliberative Process / Ex. 5 and sent them late on Sunday night.

I saw Julie Fitzpatrick yesterday, and only then realized that these comments are going to STPC staff (Anand Mudambi in particular) and Tom Burke, not to RAF. Hopefully this will be a good thing.

Hello All:

Thank you for participating in the RAF All Hands meeting held on Thursday May 7.

As the Science Advisor stated at the meeting, he would like to hear your thoughts on improving/focusing the RAF, especially on the priority topics you think that RAF should address.

Please send your thoughts/comments to the STPC Staff mailbox at: Stpc_Staff@epa.gov (cc to Thomas Burke, Science Advisor and Kelley Smith) by **Friday May 15, 2015**.

Thanks,

Anand
